General Information.

Stafford IT Services web site allows you to keep up-to-date with all the latest events, downloads and news from our blogs. These services are free of charge.

This is done through a combination of e-mail and RSS feeds direct to your home or work PC. These are also available from your PDA, iPhone and mobile phone. Just look for the logo:

Help videos are available to help you get started.

To access your personal information you will be required to login.

To access the helpdesk go to:

<http://hdesk.carefreesupport.co.uk:8080>

There is also a mobile interface coming soon.
